## EXPERIENCE

### Fullstack Developer Intern

AghimJuanPH Incorporated

September 2022 - November 2022, Remote

- Contributed to a team of 10-15 interns, including game and web developers as well as designers, in the collaborative creation of a game and a website.
- Took initiative in leading the development of the website using Laravel, ensuring its accomplishment.
- Collaborated closely with UI/UX Designers to translate design concepts into practical, user-centered website interfaces, fostering a cohesive user experience.
- Assumed responsibility for managing the website project's codebase, maintaining version control, and driving collaborative development efforts within the Web Development team.

### IT Support Intern

Unidelc Business Enterprises Inc.

February 2019 - March 2019, Laguna

## TECHNICAL SKILLS

- Programming / Development:** HTML, CSS, JavaScript, React, Typescript, Redux, Tailwind, SASS, Node, Express, SQL & NoSQL DB, PHP, Java, Python, C/C++
- Familiar in utilizing Git and GitHub for version control.
- Demonstrates a good understanding of REST API implementation and integration.
- Adaptive and capable of learning new technologies, frameworks, libraries, and tools as required.

## SOFT SKILLS

- Exhibits excellent communication skills in spoken and written English.
- Led the majority of projects as a team leader throughout my university tenure.
- Effective collaborator in team settings, while also capable of working independently.
