PROFILE SUMMARY

An aspiring web developer with a strong love for technology and a passion for crafting engaging digital experiences. With a keen eye for detail and a knack for problem-solving, I thrive in dynamic environments where innovation is valued. Excited to contribute my skills and enthusiasm to projects that both inspire and challenge, I'm committed to ongoing learning and development in the dynamic field of software development.

EXPERIENCE

Fullstack Developer Intern
AghimJuanPH Incorporated   **September 2022 - November 2022, Remote**

- Spearheaded the development of a website leveraging Laravel, ensuring seamless functionality and robust performance.
- Collaborated closely with UI/UX Designers to translate design concepts into functional, user-centric website interfaces, fostering a cohesive user experience.
- Oversaw the management of the website project's GitHub Repository, maintaining version control and facilitating collaborative development.

IT Support Intern
Unidelc Business Enterprises Inc.   **February 2019 - March 2019, Laguna**

SKILLS
