EXPERIENCE

Fullstack Developer Intern
AghimJuanPH Incorporated   **September 2022 - November 2022, Remote**

- Contributed to a team of 10-15 interns, including game and web developers as well as designers, in the collaborative creation of a game and a website.

- Took initiative in leading the development of the website using Laravel, ensuring its accomplishment.

- Collaborated closely with UI/UX Designers to translate design concepts into practical, user-centered website interfaces, fostering a cohesive user experience.

- Assumed responsibility for managing the website project's codebase, maintaining version control, and driving collaborative development efforts within the Web Development team.

IT Support Intern
Unidelc Business Enterprises Inc.   **February 2019 - March 2019, Laguna**

TECHNICAL SKILLS
